GENERAL INSTRUCTIONS

1. Candidates cannot register online individually. They have to register through registered centre (any school or college affiliated to state / centre boards can become a centre – read student and teacher brochure for details). **The list of registered centres will be published on IAPT website on 1st September, 2018)**

2. **Parents / students are requested to contact the principal's of the school in which their ward is studying to register as a centre (there is no fees for centre registration).** NSE centre registration: Any state recognised school/college is eligible to become a NSE centre with a minimum enrolment of 20 students, subject to approval by Chief Coordinator, IAPT Examinations. Online NSE centre registration on the IAPT website will start on 1 August, 2018.

3. Principals of the registered centres are hereby requested to enrol candidates from other schools, who approach you with necessary fee and help students to appear for the examination.
4. Students can go through student brochure for details of examination, eligibility criteria, selection procedure etc. The eligibility criteria announced in the brochure is final and no request for change will be entertained.
5. Student registration forms can be downloaded from the website. The filled in form should be submitted to the centre-in-charge with necessary fee before the last date of registration.
6. One time registration fee is Rs 150/= per subject.
7. Students registering from states other than the state in which they are studying will be considered under the quota of the state of studying. Such students have to furnish Aadhar card and school ID card at the time of examination. Otherwise they will be disqualified for appearing for INO (if selected)

ELIGIBILITY FOR NSE/AND SUBSEQUENT STAGES:

Astronomy, Biology, Chemistry, and Physics:

1. Must be eligible to hold an Indian passport.*
 - As per the orders of the Madras High Court, OCI students will NOT be eligible for selection to the Indian team in the International Olympiads. However, such students are provisionally eligible for selection at all prior stages, up to and including the OCSC (stage III), provided they fulfill all other criteria. They are also provisionally eligible to write the selection tests at the OCSC. This policy is subject to revision without prior notice depending on any further orders issued by the courts, or by a competent government authority.
2. Date of birth between 1 July 1999 and 30 June 2004, both days inclusive.
3. Must be residing and studying in India since 30 November 2016 or earlier. **OR** Must be studying in an Indian school system since 30 November 2016 or earlier.

4. Must not have completed (or scheduled to complete) class 12 board examination earlier than 30 November 2018.
5. Must not have commenced (or planning to commence) studies in a university or equivalent institution by 1 June 2019.
6. **Must not be appearing in NSEJS 2018.**

Junior Science:

1. Must be eligible to hold an Indian passport.*
 - As per the orders of the Madras High Court, OCI students will NOT be eligible for selection to the Indian team in the International Olympiads. However, such students are provisionally eligible for selection at all prior stages, up to and including the OCSC (stage III), provided they fulfill all other criteria. They are also provisionally eligible to write the selection tests at the OCSC. This policy is subject to revision without prior notice depending on any further orders issued by the courts, or by a competent government authority.
2. Date of birth between 1 January 2004 and 31 December 2005, both days inclusive.
3. Must be residing and studying in India since 30 November 2016 or earlier. **OR** Must be studying in an Indian school system since 30 November 2016 or earlier.
4. Must not have completed (or scheduled to complete) class 10 board examination earlier than 30 November 2018.
5. Must not be appearing in any of NSEA, NSEB, NSEC or NSEP 2018.

It is the student's responsibility to determine if he/she satisfies the eligibility norms. If at some later stage it is found that the student does not meet the eligibility norms, he/she may face disqualification from the programme.
